

## Create a Timeline

Follow the instructions to complete the activity.

NAME

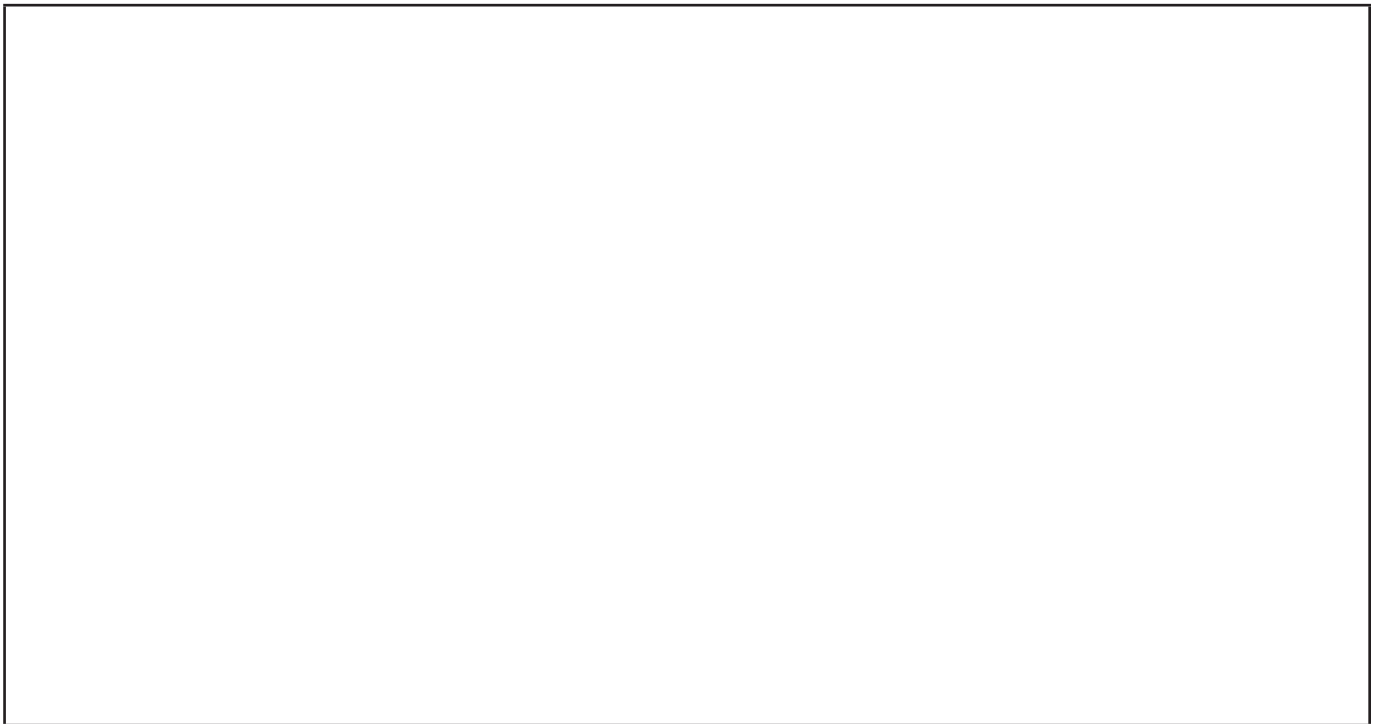

DATE

1. Using your AV<sup>2</sup> book, as well as research found in the library and on the internet, create a list of some of the most important games and events that have taken place throughout the Texas Longhorns' history. Your list should include dates from at least six important moments in the team's history. Organize the events by date, from the earliest to the most recent. Then, use your list of events to create a timeline in the boxes below.

A horizontal timeline consisting of a thick red line with six small white rectangular boxes spaced evenly along it. Below each of these six boxes is a larger, empty white rectangular box, connected to the top box by a short vertical line. This structure is intended for students to write dates in the top boxes and descriptions of events in the bottom boxes.

2. Pick one event from your timeline. Why was this event important to the team? Write your answer in a short paragraph.

A large, empty rectangular box with a black border, intended for the student to write a paragraph explaining the importance of one event from their timeline.
