Major sporting events are often the topics of news stories. Choose one of the key events in the book, then write a news story in the space provided below.

News stories focus on a specific event and date. If there is more than one side to the story, be sure to present each side. Your story should include the answers to the following questions.

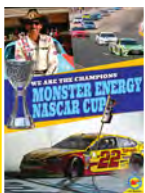

1. Who is the story about? This may be a person, group, organization, or company, for example.

2. What is the event?

3. Where did the event take place? This should include the city or town and venue.

4. When did the event take place? This should include the complete date and, if possible, the time.

5. Why is the event important? Explain what makes the event relevant. How did the event impact people or the community?
