

Largest Lakes

Follow the instructions to complete the activity.

NAME

DATE

Using information found in the book, pair each continent with its largest lake by writing the continent's number in the space beside the lake's name. Then, record the area of each lake in the space below its name.

Asia

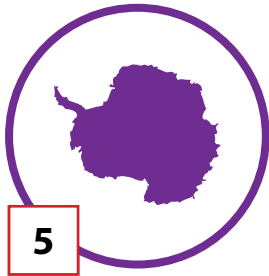

North America

Africa

Europe

Antarctica

Australia

South America

Lake Vostok

Lake Victoria

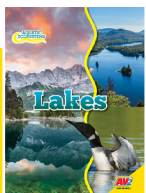

Lake Superior

Lake Titicaca

Lake Eyre

Caspian Sea

Lake Ladoga
