Using the information in *Dance Team*, put the steps showing how to do a fan kick in the correct order. Write the correct number in the box beside each step. Check your answers with pages 22–23 of the book.

Kick your right leg upward. It should go toward the left corner of the room.

Brush your feet back together and step down on your right foot.

Swing your right leg in a half-circle. The motion should look like the shape of a fan. Your toes end pointed toward the right corner of the room.

To do a right kick, brush out with your right foot. Point your right toes toward the left corner of the room.
