Using the space provided, label each part of the alligator below. Then, write a short sentence or two describing each part. Check your answers on pages 6 and 7 of the book.

The image shows a side view of an alligator with its mouth open. Six empty rectangular boxes are placed around the alligator, with red arrows pointing from each box to a specific part of the alligator: the top-left box points to the snout, the top-middle box points to the eye, the top-right box points to the back, the bottom-left box points to the front leg, the bottom-middle box points to the hind leg, and the bottom-right box points to the tail.
