Number the events below in the order they would appear on the timeline. Write the number in the box beside each event. Check your answers with pages 20–21 of the book.

The head and shoulders of the statue are completed. They are shown for the first time at the Paris World's Fair.

Almost a century after its construction, the statue undergoes a major restoration.

Emma Lazarus writes the poem *The New Colossus*. The poem is donated to an auction organized to raise funds for the construction of the statue's pedestal.

The Statue of Liberty travels to America on a French navy ship named *Isère*.

The COVID-19 pandemic forces many American monuments to remain closed for long periods.

Édouard René de Laboulaye suggests the idea that France celebrate the centennial of the the independence of the United States with a statue.

Frédéric Bartholdi builds a plaster model of the statue. The model is approved by Laboulaye.
