The map below shows the locations of all 16 stadiums in the National Football Conference. Look at the map, and try to find the home of the Green Bay Packers, Lambeau Field. First, find the number used to mark this stadium on the map. Then, write that number in the space next to the stadium's name in the list below the map.

When finished, try to find the stadiums of some of the Packers' rivals. Write the number for each of these stadiums in the list below the map. Check your answers in the book.
