

Using the information found in the book, fill in the missing information below.

1. Using binoculars or a spotting can help hunters find game from a distance.
2. Moose like areas where falls in winter.
3. orange is a color that is very visible to people but that most animals cannot see well.
4. A male grizzly bear can weigh up to pounds.
5. A chase means that the animal has a chance to escape.
In practice, this means that hunters do not take animals trapped in ice or snow.
6. By showing what an animal has eaten, can tell hunters what kind of animal it is.
7. Hunting in means one hunter can watch out for the other.
