

True or False

Follow the instructions to complete the activity.

NAME

DATE

Using information found in *Big Game*, verify whether the following statements are true or false. Check your answers in the book. List the page number where you found the information beside your answer.

Statement 1

Game trails are small paths used by animals as they move in search of food and shelter.

☐ True

☐ False

Page
Number

Statement 2

The hunting season for most big game is in the spring. This makes it possible for the animals to raise their young later in the year.

☐ True

☐ False

Page
Number

Statement 3

Many U.S. states and Canadian provinces require hunters to wear some blue clothing for safety.

☐ True

☐ False

Match each set of tracks below to the animal that made it.

Bear Bighorn Sheep Elk Moose White-Tailed Deer Wild Boar

Choose five tools used or articles of clothing worn for big game hunting. Describe each and explain how it is useful to hunters. Use the *Big Game* book, the library, and the internet to help with your research.

Tool or Clothing	Description

Using the information found in the book, fill in the missing information below.

1. Using binoculars or a spotting can help hunters find game from a distance.
2. Moose like areas where falls in winter.
3. orange is a color that is very visible to people but that most animals cannot see well.
4. A male grizzly bear can weigh up to pounds.
5. A chase means that the animal has a chance to escape.
In practice, this means that hunters do not take animals trapped in ice or snow.
6. By showing what an animal has eaten, can tell hunters what kind of animal it is.
7. Hunting in means one hunter can watch out for the other.

Test your knowledge by answering the following questions.

1. Male bighorn sheep are called rams. They can charge at speeds up to this many miles per hour.

2. Theodore Roosevelt, who later became president of the United States, helped start the Boone and Crockett Club in this year.

3. In 2023, there were nearly this many hunting accidents in the United States and Canada.

4. Each year, more than this many people in the United States go hunting.
